It came to the West in the 8th century. In the 11th Century it received the name, the Immaculate Conception. In the 18th century it became a feast of the universal church • In 1854 Pius IX issued the infallible statement: "The most Blessed Virgin Mary, in the first instant of her conception, by a singular grace and privilege granted by almighty God, in view of the merits of Jesus Christ, the savior of the human race was preserved free from all stain of original sin." • This privilege of Mary derives from God's having chosen her as Mother of the Savior; thus she received the benefits of salvation in Christ from the very moment of her conception. This great gift to Mary, an ordinary human being just like us, was fitting because she was destined to be the Mother of God. The purity and holiness of the Blessed Virgin Mary is a model for all Christians
